

**Hiring Manager**

KraftPixel Digital Solutions

**Subject:** Application for Full Stack Developer Internship

Dear Hiring Team,

I am excited to apply for the **Full Stack Developer Internship** at **KraftPixel Digital Solutions**. As a **final-year software developer** with hands-on experience in **React.js, Next.js, and MongoDB**, I am eager to contribute my skills to your team while learning from industry experts.

My recent projects include a **Task Management app built with Next.js, Server Actions, and MongoDB**, showcasing my ability to develop scalable full-stack applications. Additionally, my **internship at CodSoft as a Java Developer** gave me practical backend development experience. I also ranked **1103 in GirlScript Summer of Code 2025**, demonstrating my problem-solving skills and commitment to learning.

KraftPixel's focus on **digital solutions and innovative web development** aligns with my passion for building efficient and user-friendly applications. I am excited about the opportunity to work with your team and contribute to impactful projects.

I have attached my resume for your review. I would love to discuss how my skills and enthusiasm can add value to KraftPixel . Looking forward to your response!

**Best regards,**

Muskan Agarwal
